

Self Installing Content Packages

Content packages are now automatically loaded into the software when you download them. To start click on **Check for pricing and content** on the *Welcome Screen*.

This takes you to the cmphotocentre website where you can shop for beautiful digital content, free downloads and much more.

The screenshot shows a Microsoft Internet Explorer browser window displaying the cmphotocentre website. The page is titled "StoryBook..." and features a navigation menu with options like Home, My cmphotocentre, Digital Scrapbooking, StoryBook Creator, Printed Products, Mycom Manager, and CM. A sidebar on the left contains links for Printed Products, About StoryBooks, About Page Prints, About Photo Prints, Special Offers, FAQs, and Technical Support. The main content area is titled "StoryBook Pricing" and includes a table of prices for different book sizes and a section for additional pages. An image of an open StoryBook is also visible.

StoryBook Pricing

All StoryBooks include 28 pages, bound with a personalised hard cover and a dust sleeve. StoryBooks are available in three sizes; 8" x 8", 11" x 8.6" and 12" x 12".

Book Size	SAUD	SNZD	
8" x 8"	\$95.00	\$105.00	perbook
11" x 8.6"	\$99.00	\$117.00	perbook
12" x 12"	\$129.00	\$164.00	perbook

Additional Pages

You can customise your StoryBook by adding additional pages up to a maximum of 100 pages in total. Additional pages are \$3.50(AUD) / \$4.00(NZD) for two pages/one sheet.

Delivery

Delivery is \$10.00(AUD) within Australia and \$14.00(NZD) within New Zealand for one StoryBook. Add just \$3.00 (AUD) / \$4.00(NZD) postage for each additional copy (of the same book), delivered to the same address. Standard delivery is within 14 working days, however this may be extended during peak periods.

All prices include GST.

Page Print Pricing

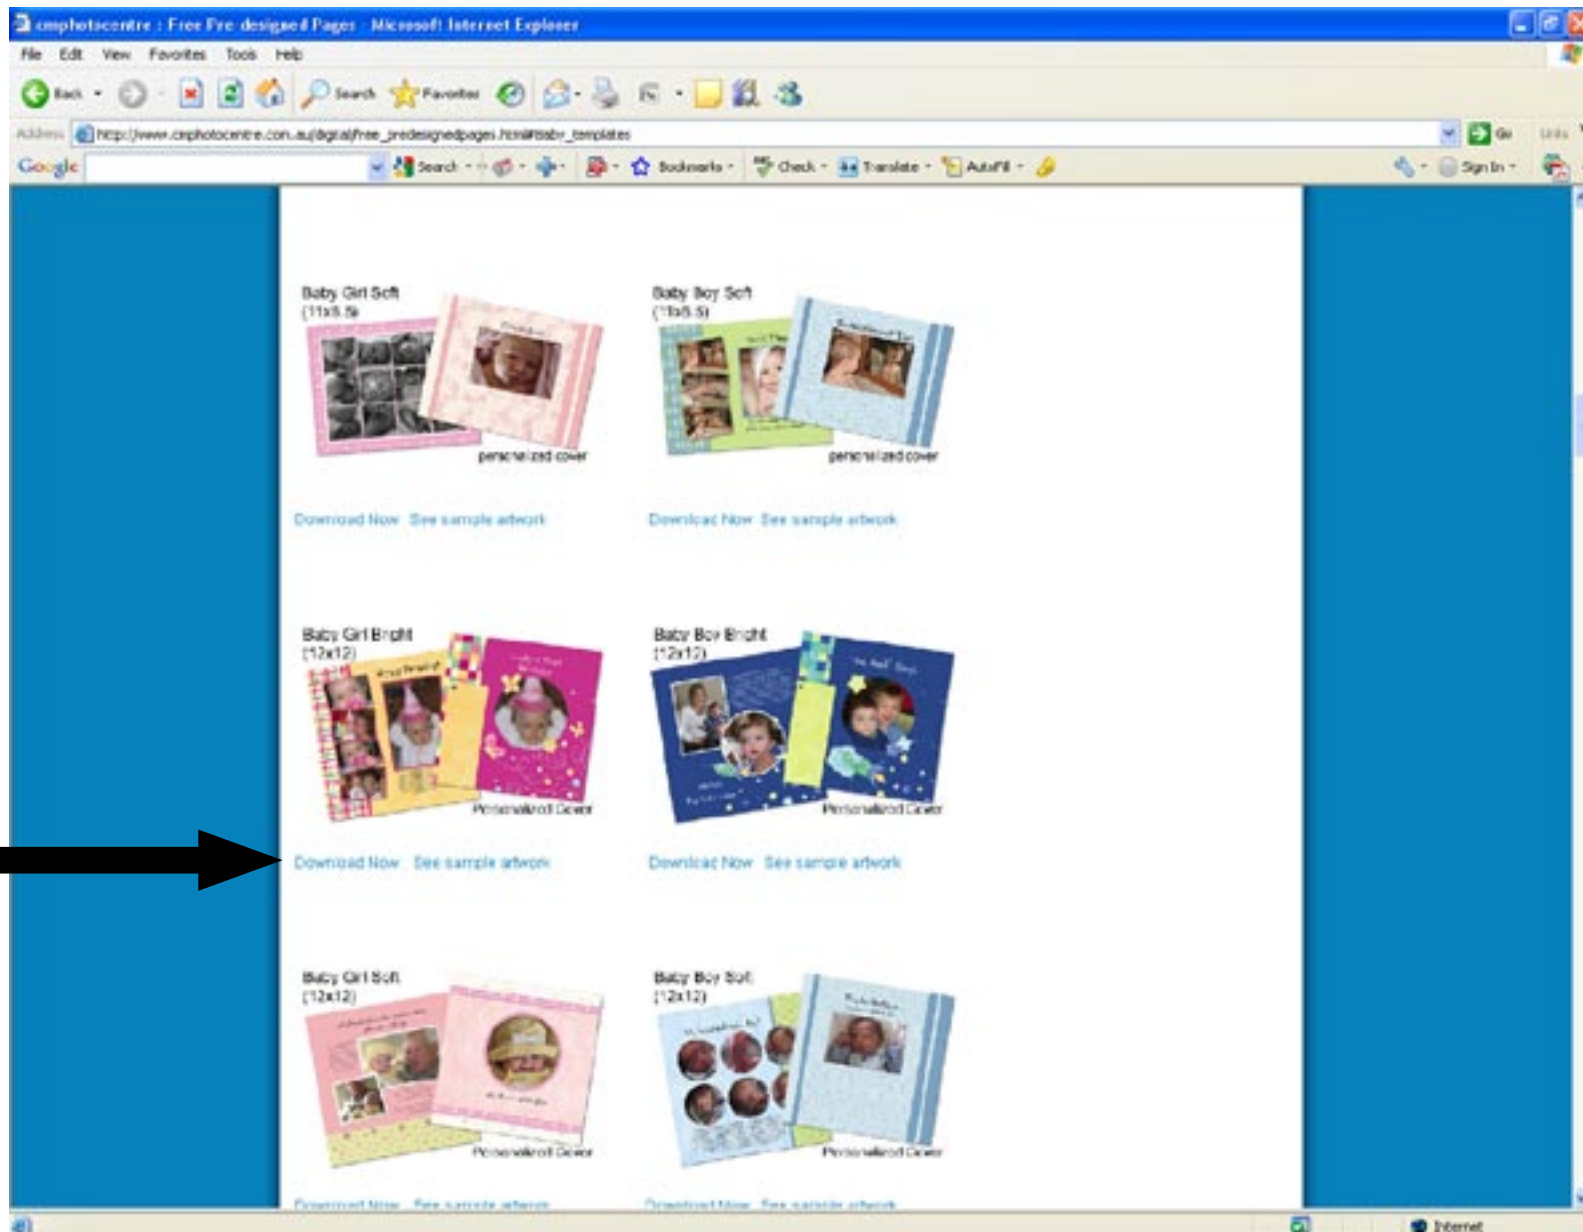

StoryBook Page Prints are printed on high quality photographic paper and are available in matt or gloss.

Page Size	Quantity	SAUD	SNZD	
8" x 8"	1-14 pages	\$11.00	\$13.50	per page

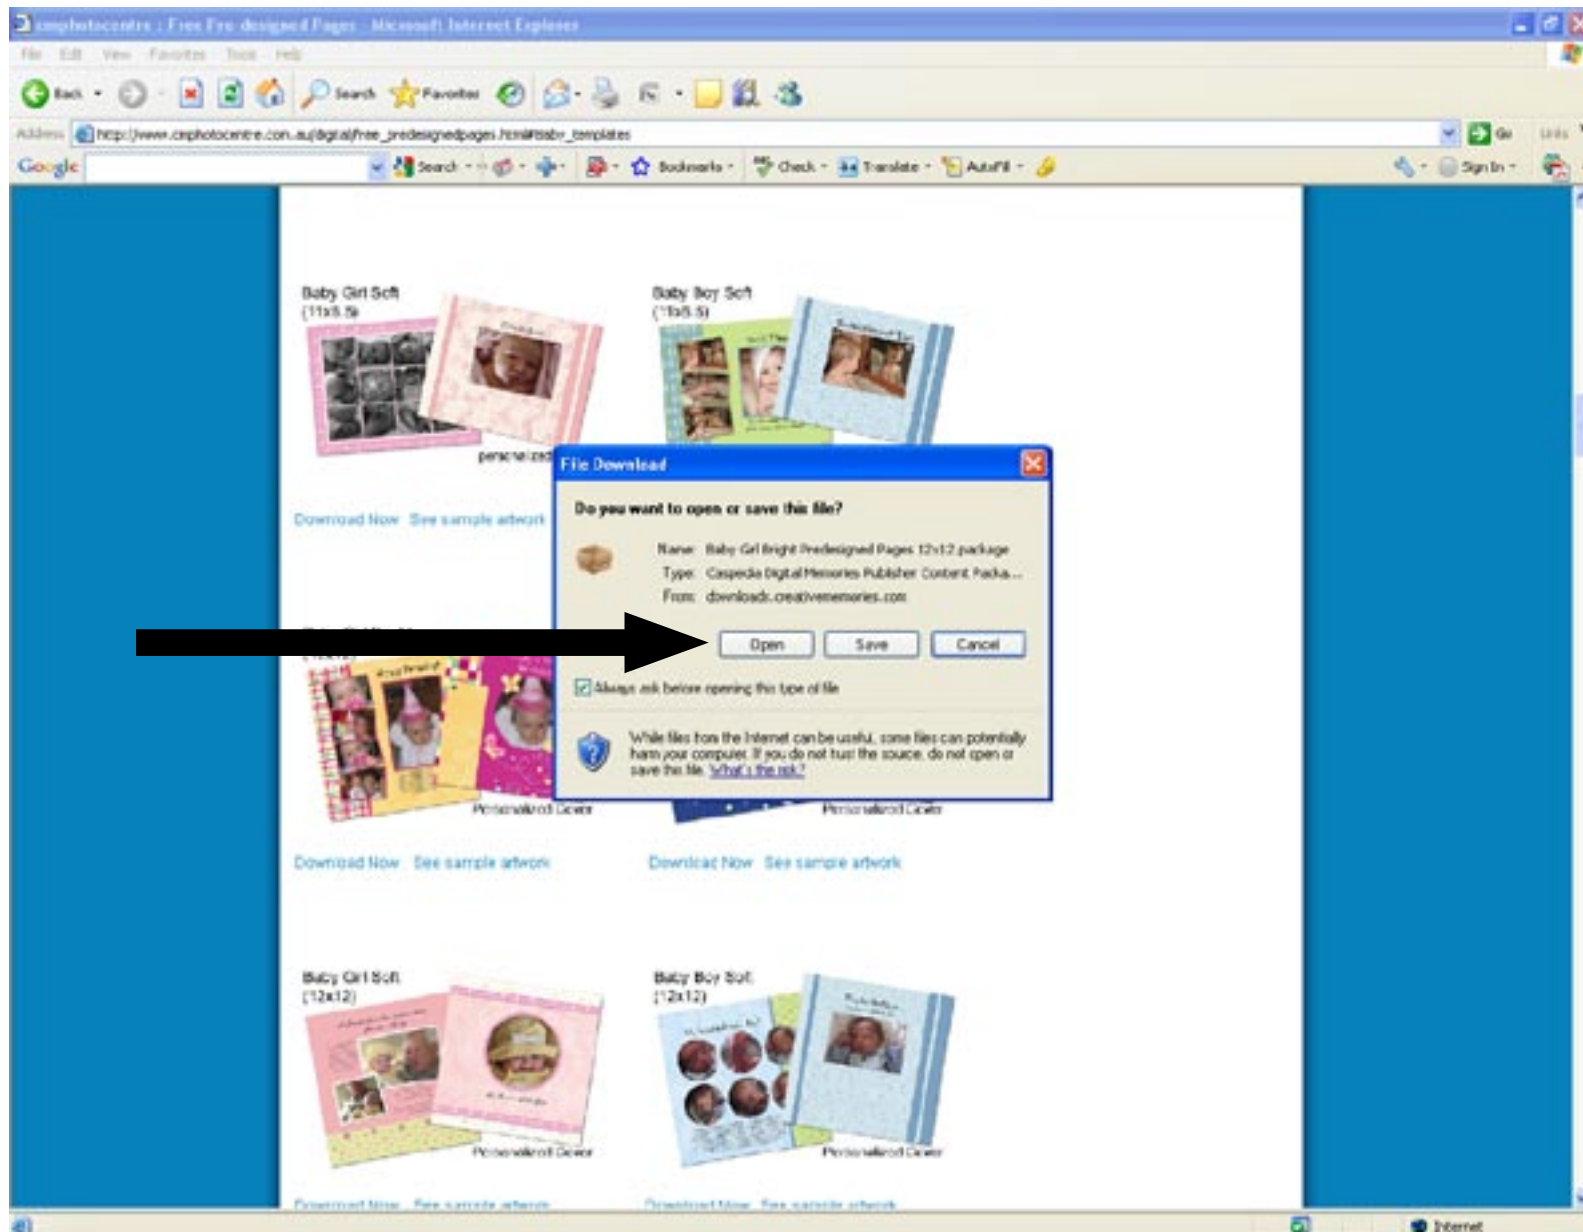

In this example we will download a free digital content package.

The screenshot shows a Microsoft Internet Explorer browser window displaying the cmphotocentre website. The address bar shows the URL: http://www.cmphotocentre.com.au/digital/download_content.html. The website has a blue header with the cmphotocentre logo and a navigation menu with links: Home, My cmphotocentre, Digital Scrapbooking, StoryBook Creator, Printed Products, Memory Manager, and CM. A left sidebar contains a vertical menu with links: Digital Scrapbooking, Free Content Downloads, Content CDs, Free Content Downloads, Digital Accessories, Help Zone, FAQs, and Digital Support. The main content area is titled "Digital Scrapbooking..." and "Free Content Downloads". It features a paragraph about Creative Memories' digital content and a link to StoryBook Creator software. Below this, there are four featured items: "Baby Boy Bright (3x3)", "Personalized Covers", "Pre-designed Pages", and "Embellishments". The "Embellishments" section shows "Full Page Photos (12x12)" with images of a butterfly and a pink flower. The browser's status bar at the bottom indicates "Internet".

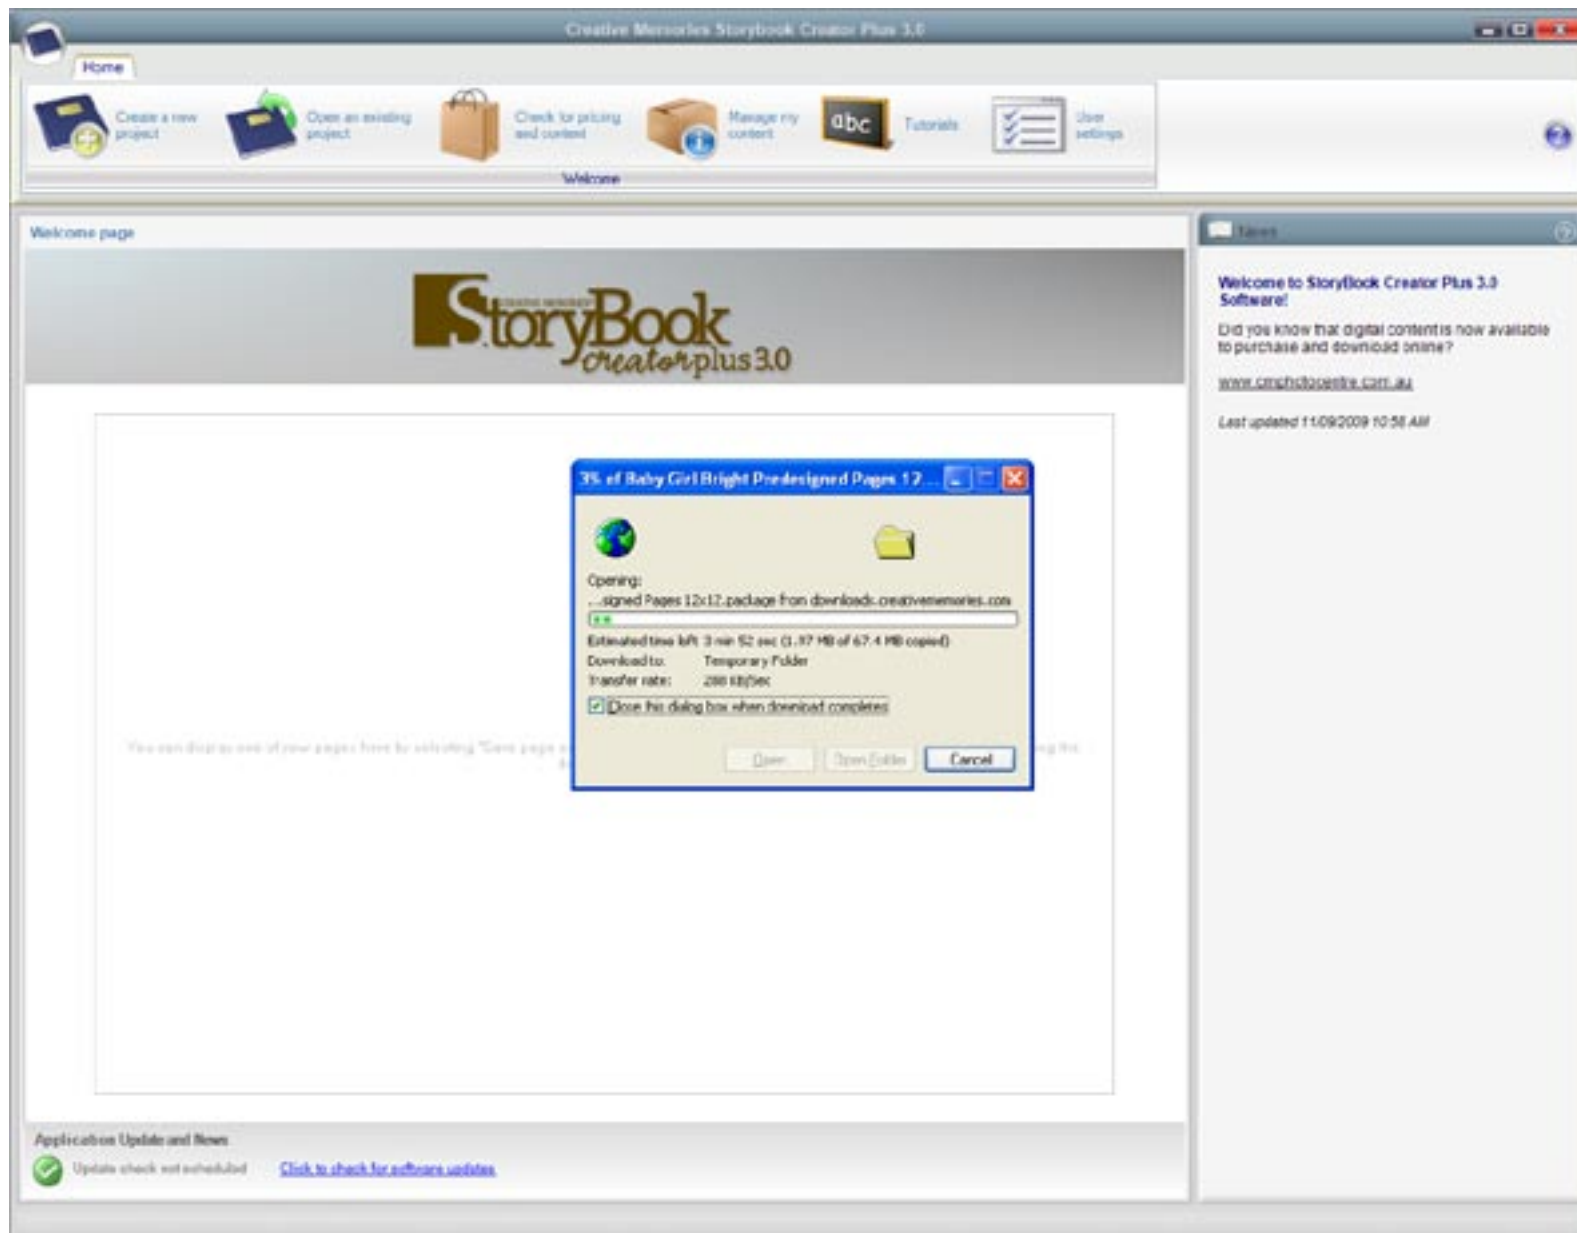

Once you've made your choice, click on **Download Now**. If you have purchased digital content, click on the download link in the email you receive.

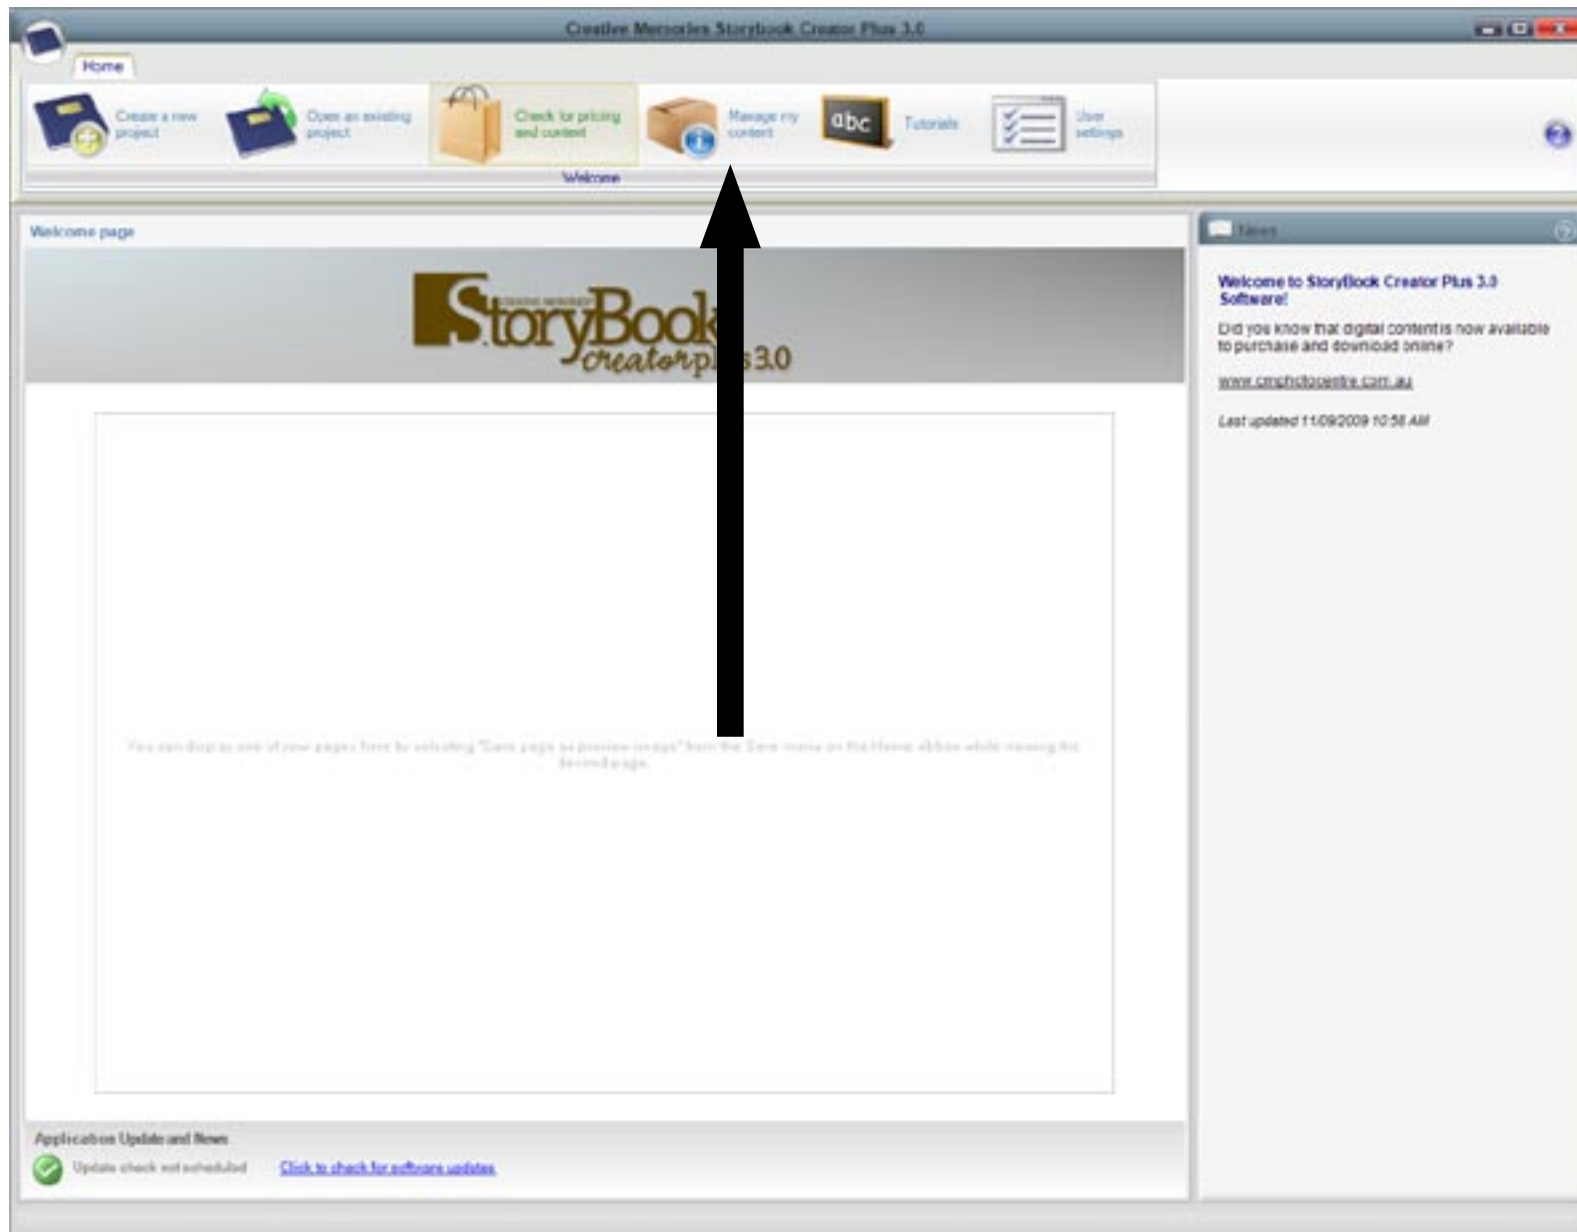

The *File Download* dialog box displays. Click on **Open** (NOT Save). Clicking **Open** will initiate the self-installation of the content, doing all the work for you.

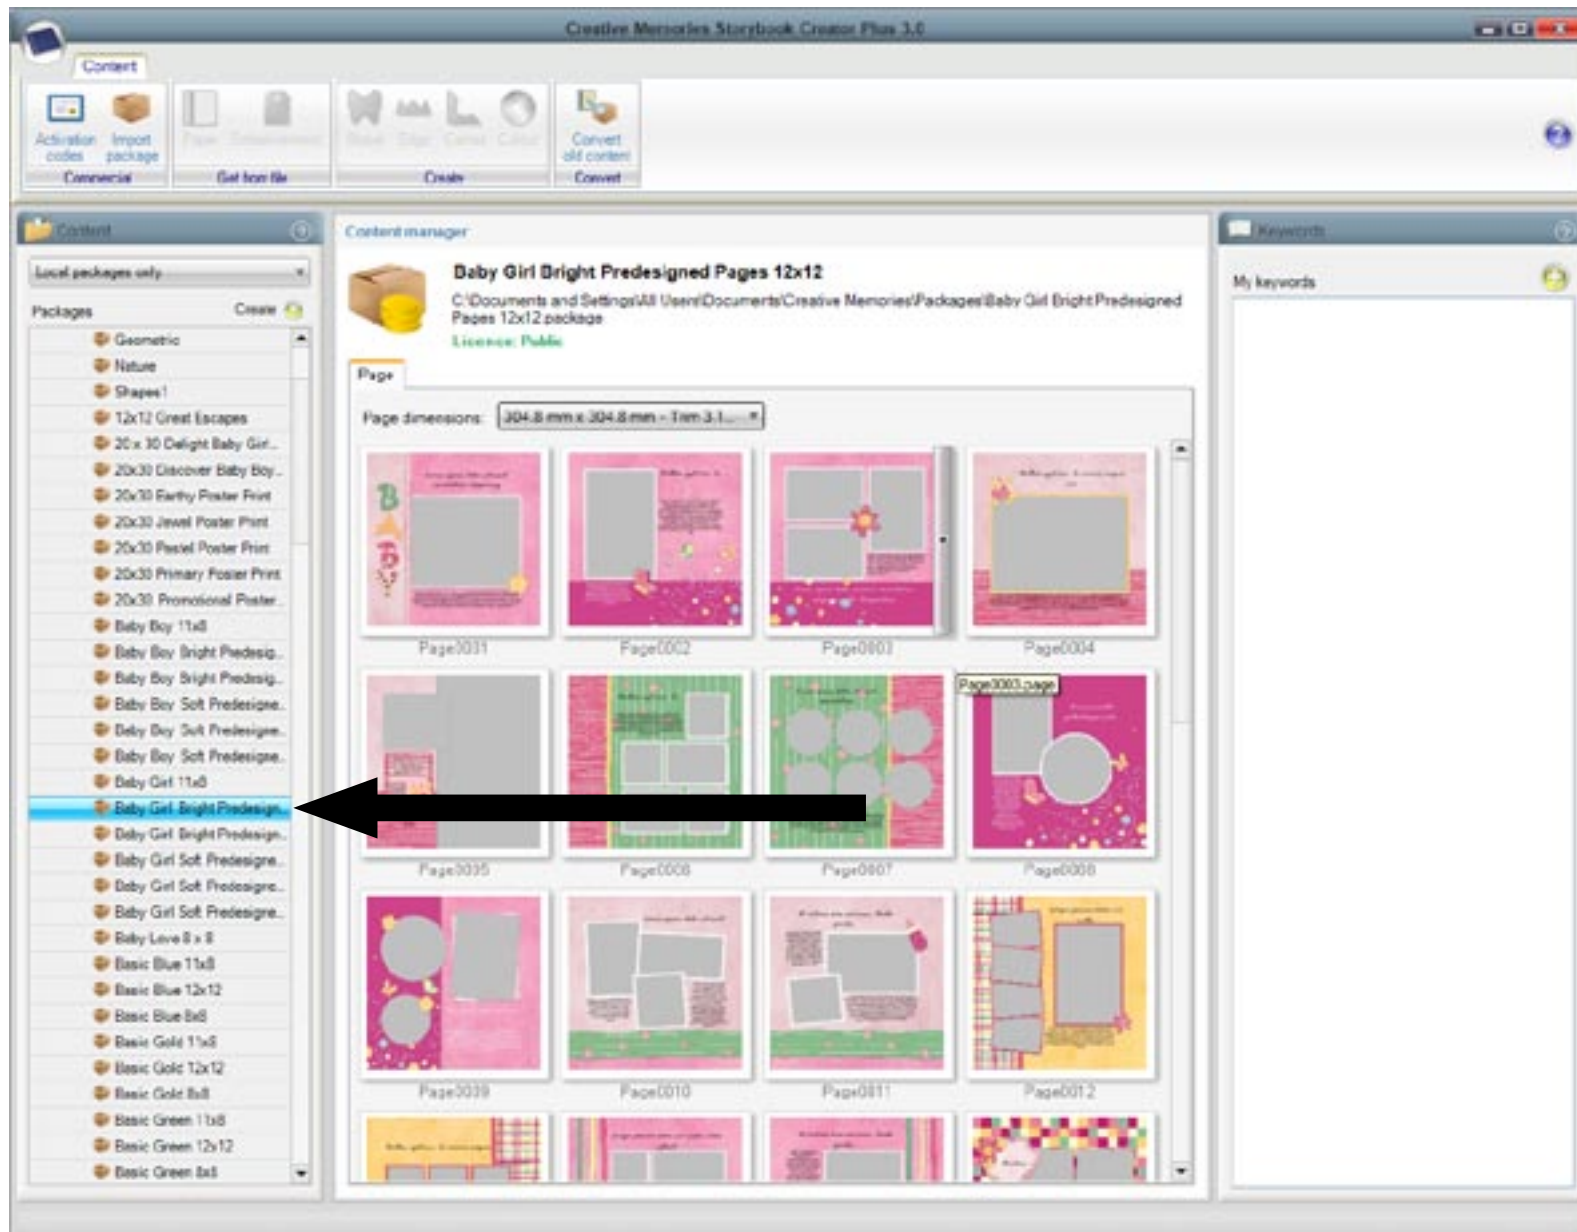

The install will take several minutes.

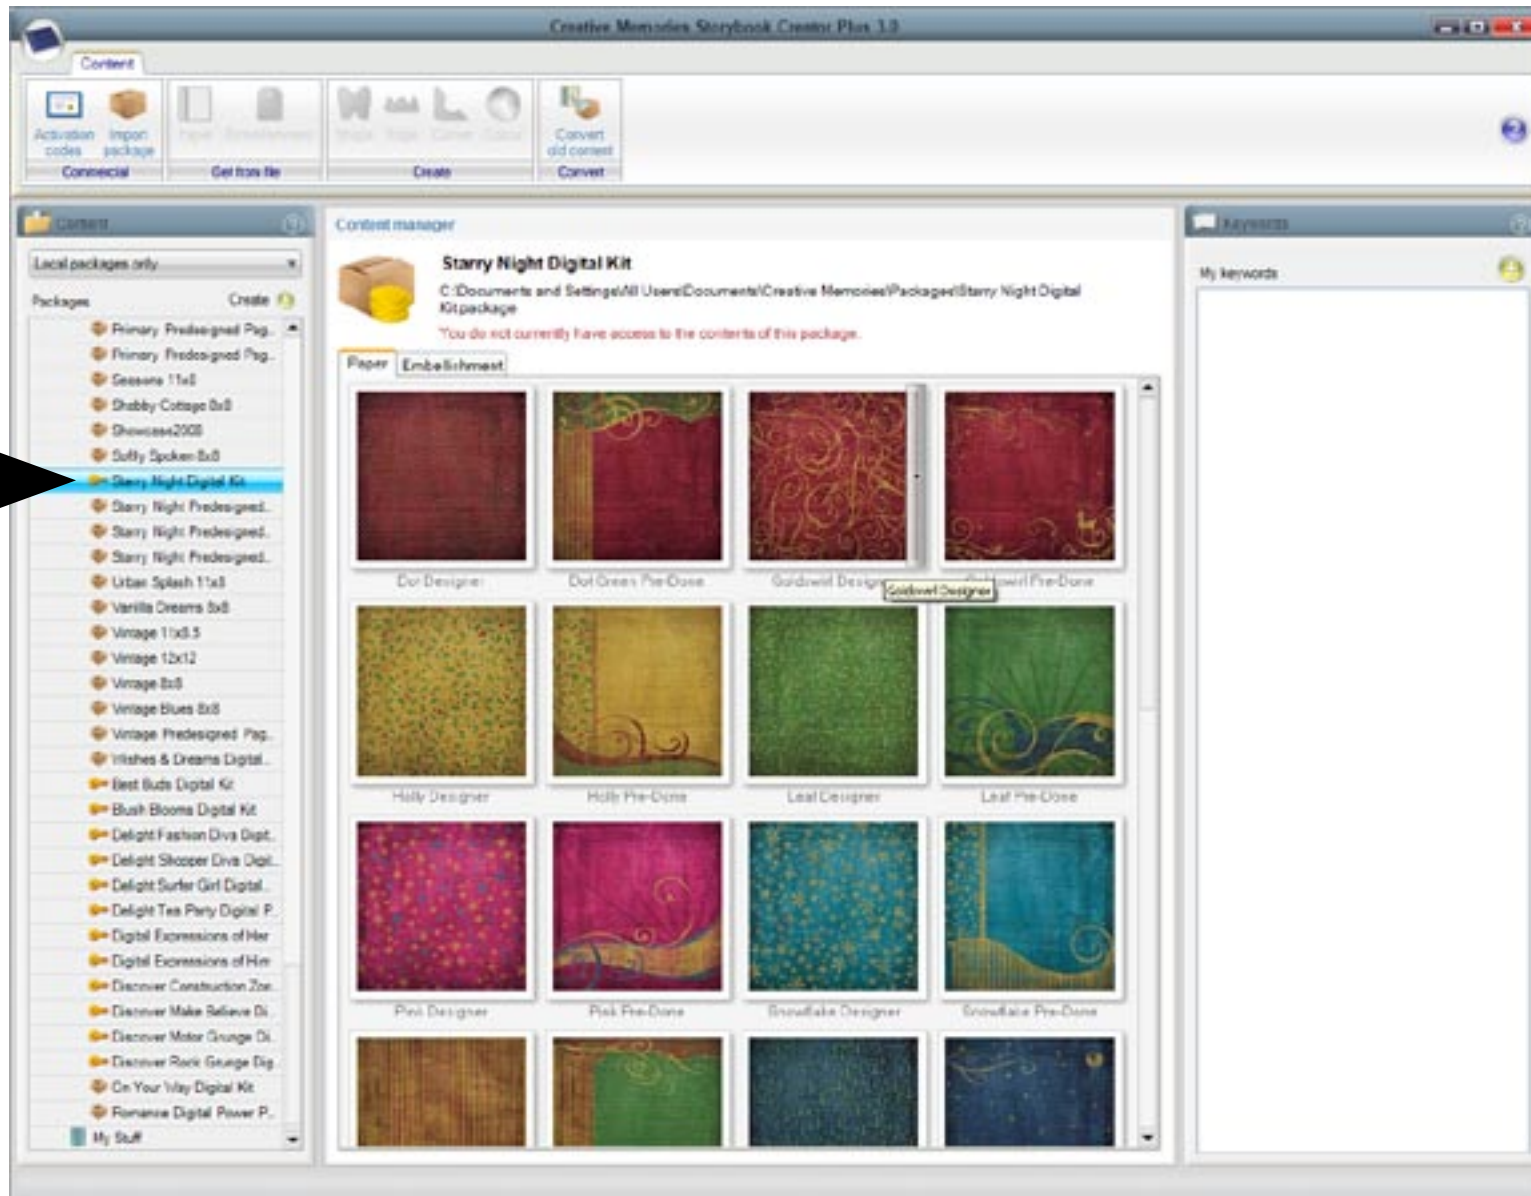

After the package has installed, click on **Manage my content** on the *Welcome Screen*.

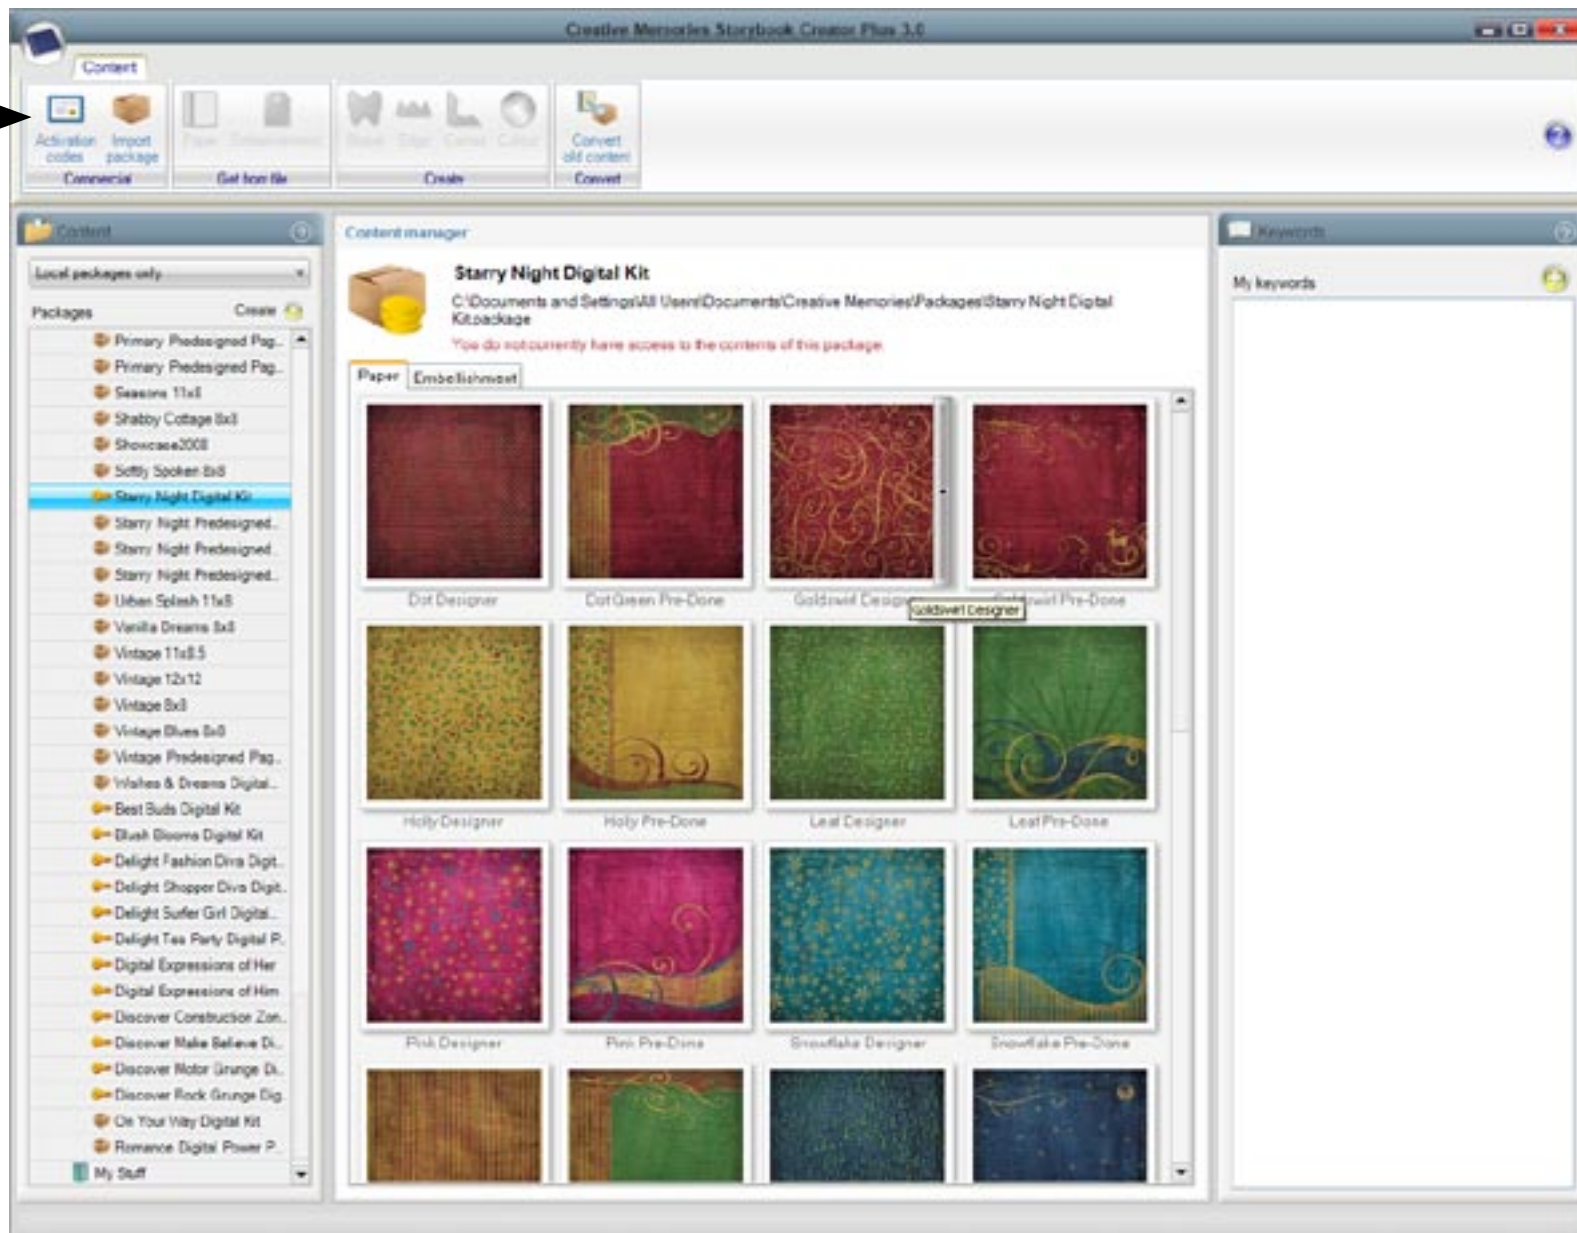

Click on your new package in the list on the left. The package information displays in the centre window.

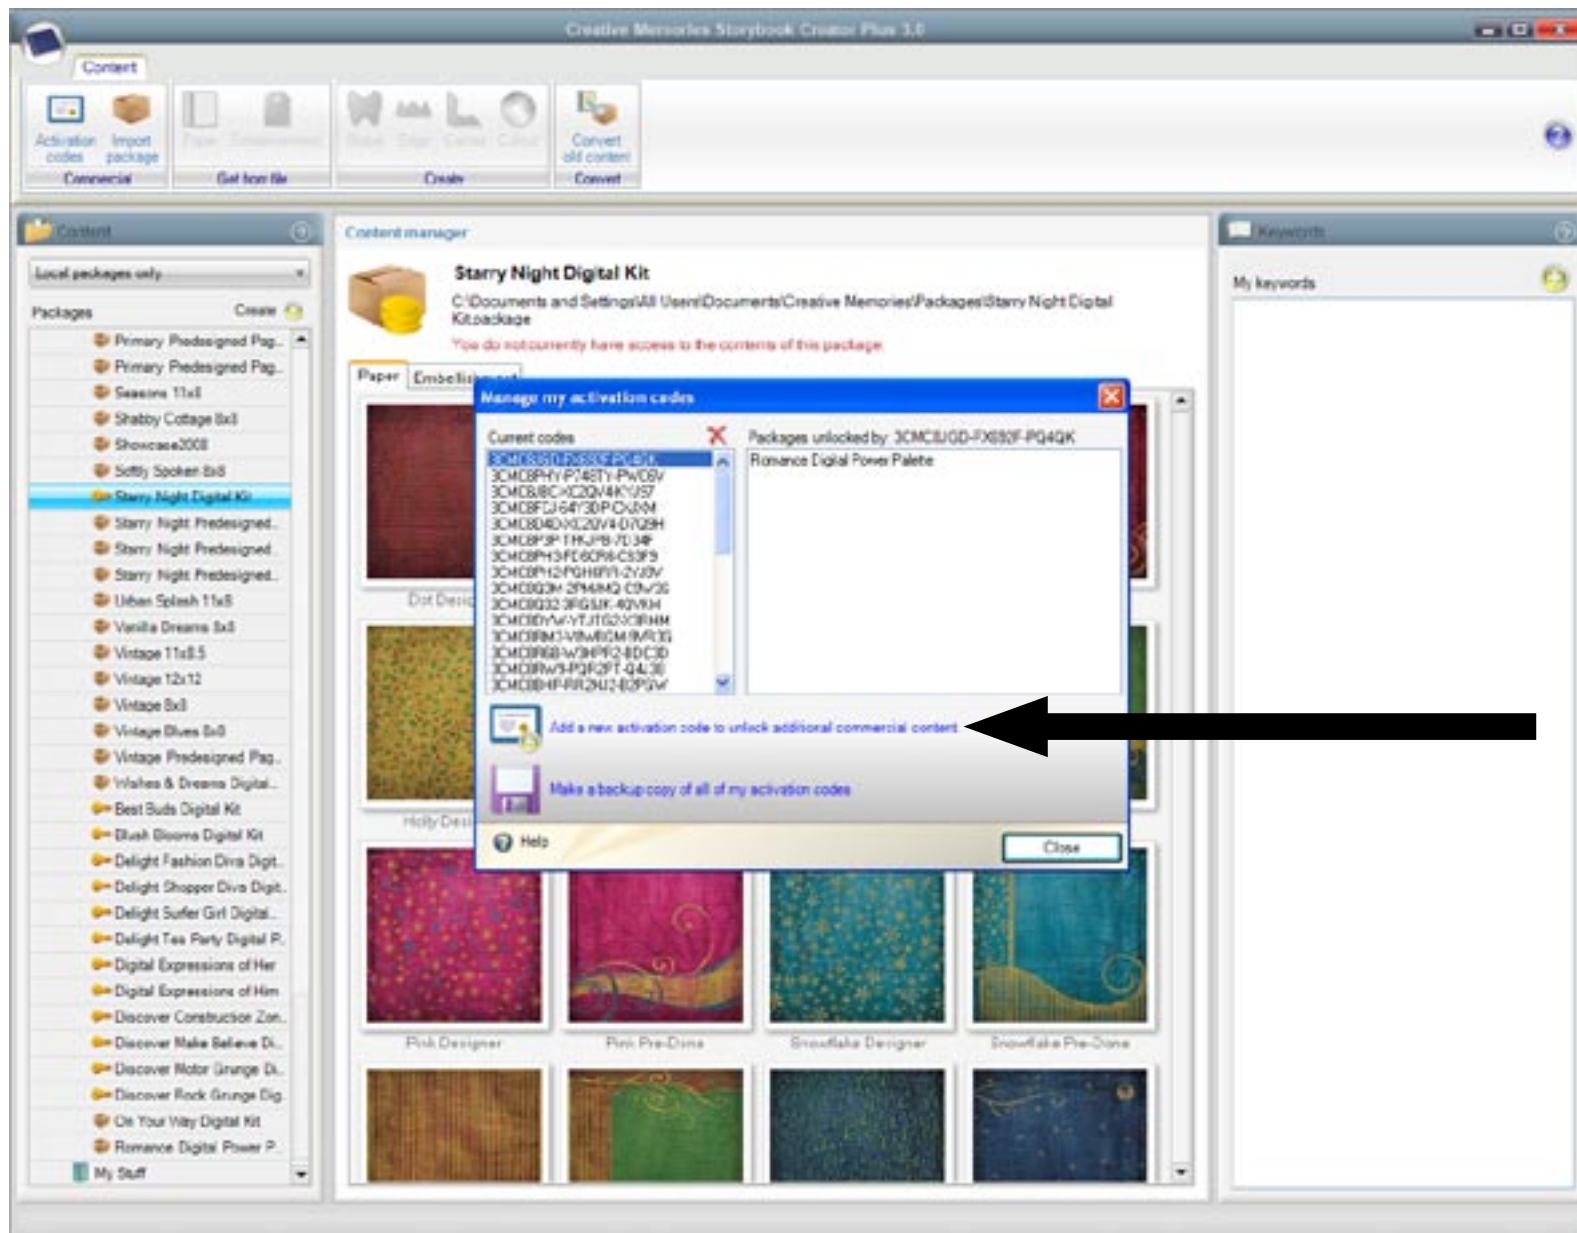

If you access a package that is indicated with a key, you'll see a message in red that reads: You do not currently have access to the contents of this package. This means you need to activate the content using your activation code.

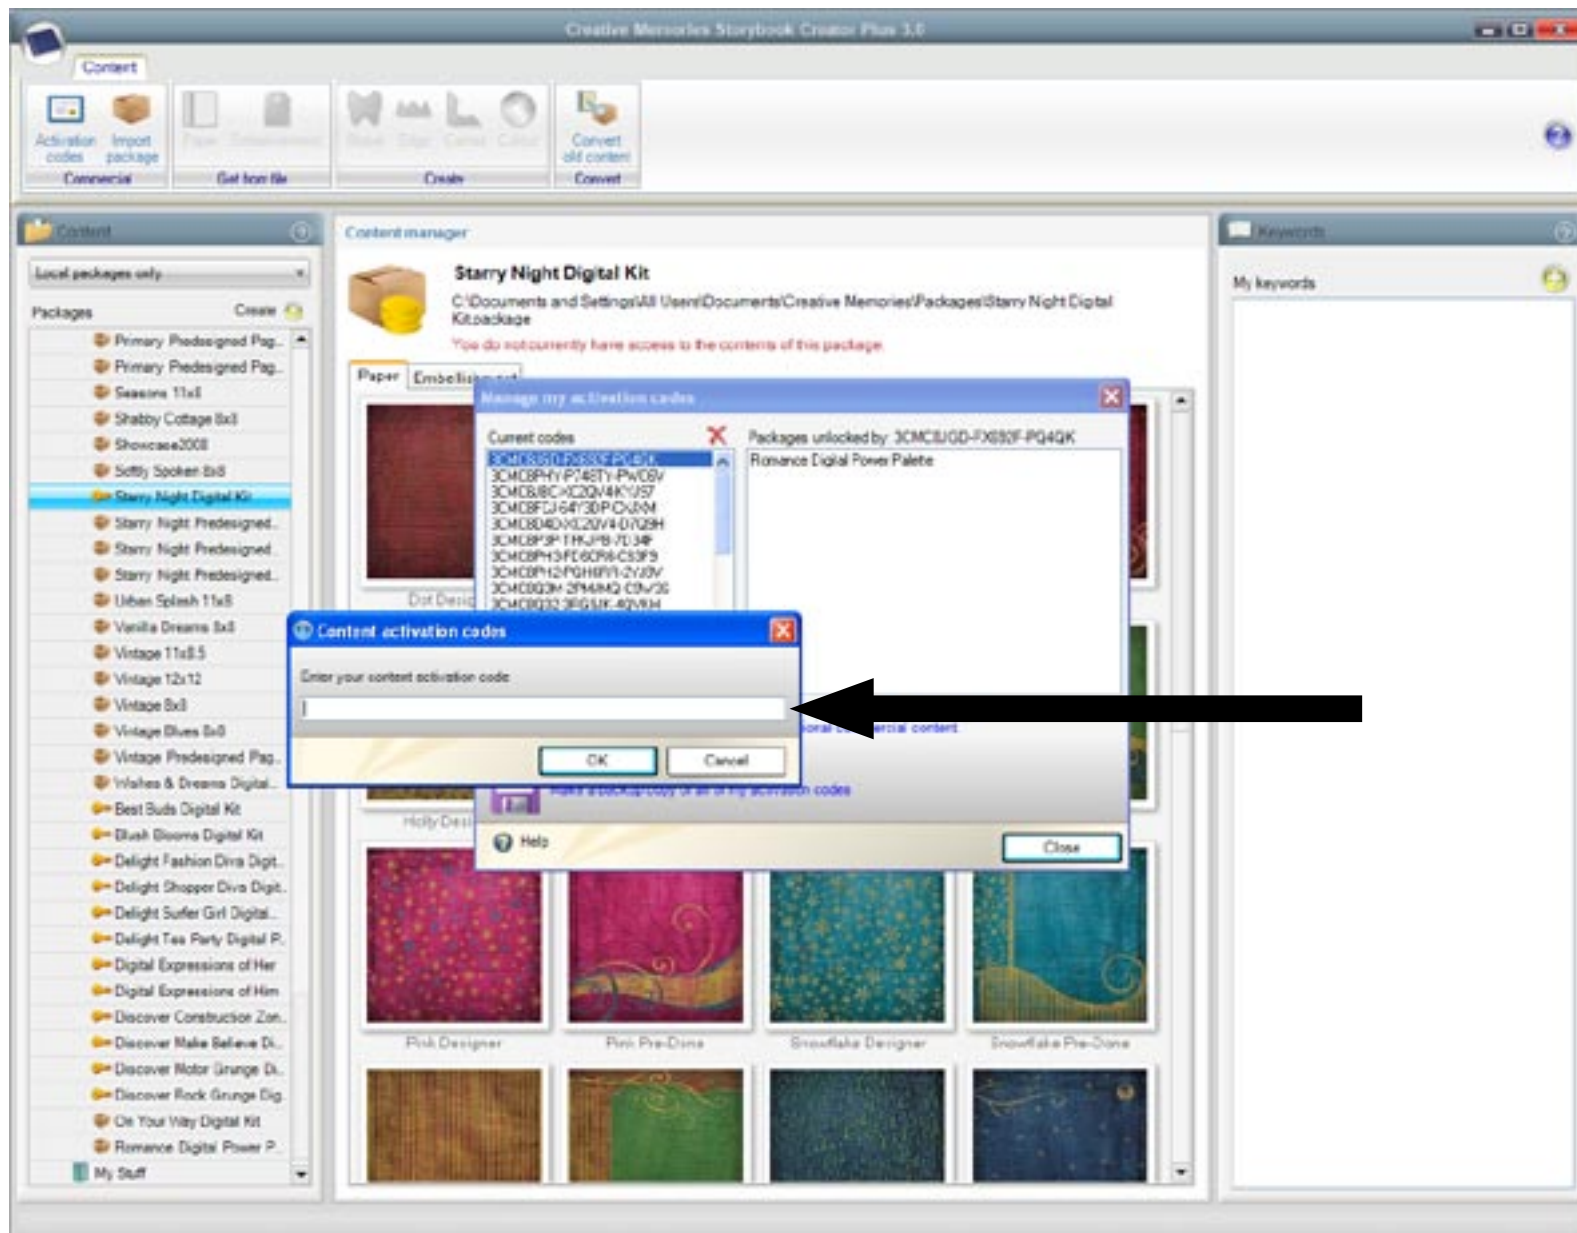

To activate your content, click on **Activation codes** on the *Content Ribbon*.

The *Manage my activation codes* dialog box displays. Click on **Add a new activation code to unlock additional commercial content** to unlock additional commercial content.

The *Content activation codes* dialog box displays. Enter your code and click **OK**.

A pop up box will appear to confirm your request, click **OK**. The *Manage my activation codes* dialog box will display the newly entered code, click **Close**. Your package is then unlocked and ready to use.
